Borsad city is located in Anand District, Gujarat state. There are many temples in Borsad, like Swaminarayan Temple, Suryanarayan Temple, Jalaram Temple, Gayatri Temple, Hanuman Temple, Mahakaleshwar Temple, Vishwakarma Temple. And many more.

Among these temples, Mahakaleshwar temple is very famous in borsad.

Here are some facts about Mahakaleshawar Mahadev Temple Borsad, Gujarat, India. Mahakaleshawar Mahadev Temple is located at Borsad city in Anand district, Gujarat, India. The temple was built about 3000 years ago. The temple is dedicated to Lord Shiva. Here is Lord Shiva's temple and other deities are Lord Ganesha, Hanuman and Goddess Parvati. This is the same Lord Shiva temple as in Ujjain, MP. This temple is known as Mota Mahadev Temple. Large numbers of people come here to take the blessing of Mahakal.

During the Janmashtami festival, a large fair is arranged by local people. Other than these, the Bhasma-Aarti of the temple is a ritual ceremony that you should not miss. The most important Puja related to Mahakaleshwar temple is Bhasma arti. It takes place on Monday early in the morning at around 4 a.m. A positive energy is there in temples which makes anyone feel something special in the air and surroundings. During this religious ritual, the idol of the Lord is worshiped with sacred ash brought from the Smasan (kailashbhumi), and the ash is then applied to the lingam before conducting the holy prayers. I must visit this temple.i.

## Recipe of Chicken Ramen

### Ingredients:-

- 2 chicken breasts (boneless, skin-on)\*
- kosher salt and freshly-ground
- black pepper, to season
- 1 Tbsp unsalted butter
- 2 tsp sesame or vegetable oil
- 2 tsp fresh ginger, minced
- 1 Tbsp fresh garlic, minced
- 3 Tbsp low-sodium soy sauce
- 2 Tbsp mirin
- 4 cups rich chicken stock
- 1 oz dried shitake mushrooms (or 1/2 cup fresh)
- 1-2 tsp sea salt, to taste
- 2 large eggs
- 1/2 cup scallions, sliced
- 2 (3 oz) packs dried ramen noodles
- optional: fresh jalapeño or chili slices, for serving

#### COOK THE CHICKEN:

Preheat the oven to 375°F. Season the chicken generously with salt and pepper.

Melt the butter in a large oven-safe skillet over medium heat. Add the chicken, skin-side down, and cook until the skin is golden brown and releases easily from the pan, about 5-7 minutes. Flip the chicken over and cook for another 4-5 minutes, until golden.

Transfer the skillet to the oven and roast for 15-20 minutes, until the chicken is cooked through. Remove from the oven, transfer the chicken to a plate, and cover with foil until ready to serve.

#### MAKE THE RAMEN BROTH:

Heat the oil in a large pot over medium heat until shimmering. Add the garlic and ginger, and cook for a few minutes until softened. Add the soy sauce and mirin, and stir to combine. Cook for another minute.

Add the stock, cover, and bring to a boil. Remove the lid, and let simmer uncovered for 5 minutes, then add the dried mushrooms. Simmer gently for another 10 minutes, and season with salt, to taste.

#### MAKE THE SOFT-BOILED EGGS:

Fill a pot with enough water to cover the eggs, and bring to a boil. Gently lower the eggs (still cold from the fridge) into the boiling water, and let simmer for 7 minutes (for a slightly-runny yolk) or 8 minutes (for a soft, but set-up yolk).

Meanwhile, fill a large bowl with ice water. When the timer finishes, transfer the eggs to the ice bath to stop the cooking process. Wait at least 5 minutes, or until cool enough to handle, then carefully peel away the shell and slice in half, lengthwise. Set aside until ready to serve.

#### ASSEMBLE THE RAMEN BOWLS:

Meanwhile, chop the scallions and jalapeño (if using). Slice the chicken into thin pieces. Set aside. When the eggs finish cooking, add the ramen noodles to the boiling water.

Cook for 2-3 minutes, until soft, then divide the noodles into two large bowls. Add the sliced chicken and the ramen broth. Top with the fresh scallions, jalapeño, and the soft boiled egg. Serve immediately. Enjoy!!
